The Challenge coins are in, and they were passed out to the members. It was agreed that the extra coins would be kept at the station with Jenn. Wendy set up a system of keeping records of sales. As we sell the coins, note them on the spreadsheet with number, amount and who was the seller.

Tim brought in the new caps for adults and kids. They look great. We will sell the extras. He also brought in the new shirts. Still need some as they were not ready at the printer. He is going to look into a long-sleeved shirt for cooler weather wear.

Bob is going to check on the price of 150 more frisbees. We discussed what we will hand out at each of the up-coming events.

Also, where we will sell the coins. Our goal is to sell all the extra coins.

Bob is going to have signs made to put in front of the fire stations. He also has the new 100 banners ready to put on the flag poles.

Maintenance

- **Fix ONO sign on front of awning.**
- **Water leaks**

NEW BUSINESS

Updates on Future Events

- **Golf Outing**

- **Antique Fire Truck Show**

GOLF OUTING: Vern has sent out the letters to the businesses. We need to start to collect items for the raffle and the silent auction. Jerry is going to collect items for the goody bag. Bob passed out posters and fliers for us to put up and display them in stores or maybe at work.

ANTIQUÉ FIRE TRUCK SHOW: The letter has been sent out to the fire departments inviting them to bring their antique trucks. Again, Bob gave us posters and fliers to give out to promote the show.

COMMITTEE PICTURE: Freedom wants us to get Old Number One and the committee members together for a picture.

The next committee meeting will be moved to July 22nd. This is because of the Mundelein Grand Prix Bike Race is on our normal meeting day (July 21st). We moved the July meeting to the next night, on July 22nd, at 7 pm.
