- Challenge Coins recap, there have been no sales, and we have about 300 left. Gary suggested we do a better job of advertising at events with bigger signs.

- Hats and Shirts recap: 10 kids hats and 1 adult; 3 shirts are still available. None will be reordered at this time.
- Tim was given his door code.
- 100th Anniversary photo, we are going to meet on a Sunday in November for a brief photo session of all the committee members. Bob to set it up.
- We discussed the year 2025. The Antique Fire Truck Show was a success and Tighthead had a very busy day. They advised they are still selling the Old Number One beer. The pancake breakfast was also a good success.
- Bob will print up a list of all the events we did in 2025, and we will discuss them at the next meeting to determine if we want to continue them for next year. (Note, Bob and Gary presented the special plaque to Tighthead thanking them for helping put on the Antique Fire truck Show)
- We will also discuss which hand-outs to reorder for next year.
