Attachments:

1. AD-24-42 - Commission - Committee Email Policy - 10.01.24
2. Commission_Committee Email Policy Acknowledgement Form

Background:

Administration sent all commissions a new email policy and is asking commissioners to sign the attached acknowledgment form that they received and accept the policy.
Please note that the policy includes a major change to how the EDC communicates.

The Village is asking all commissioners to only use the newly provided emails for all commission business for many reasons, including, but not limited to, the following:

- They no longer want commissioners to use personal email addresses for anything related to EDC business
- FOIA Requests
- Privacy of commissioners' personal emails
- Management of accounts in instances where members leave a commission

Instructions to set up an email have been previously provided. Please contact Jen Marshall at jmarshall@mundelein.org or (847) 949-3225 if you need help.
The new EDC emails must not be used for personal activity.
You may change the password, but not the recovery email (jmarshall@mundelein.org).

Recommendation:

Review email documentation and execute acknowledgement.

MUNDELEIN ADMINISTRATIVE POLICY

SUBJECT: COMMISSION / COMMITTEE EMAILS

CATEGORY: ADMINISTRATION

POLICY NUMBER: AD 24-42

EFFECTIVE DATE: OCTOBER 1, 2024

REVISION DATE:

APPROVED BY: ERIC J. GUENTHER, VILLAGE ADMINISTRATOR

Introduction

The Village of Mundelein has many volunteers who serve on committees and commissions for the Village, dedicated to the goals of the Commission or Committee for which they serve. As appointees of the Mayor and the Board, the commission or committee members ('Members') work on many initiatives on behalf of and in the interests of the Village, communicating often via email.

Purpose

The administrative staff seeks to establish a uniform and effective way for appointed members of committees and commissions to communicate via email with each other, Village staff, and the community for which they serve.

Outlook Emails

Due to licensing and network security ramifications, *Mundelein.org* emails via Microsoft365 cannot be created or managed for Members. The Village will instead create Outlook emails for all appointed Members using the following format:

Beautification	Jdoe.beautification@outlook.com
Fire Pension	Jdoe.firepension@outlook.com
Fire and Police	Jdoe.fireandpolice@outlook.com
Historical	Jdoe.historical@outlook.com
Mundelein Community Days	Jdoe.mcdc@outlook.com
Old #1 Fire Truck	Jdoe.old1@outlook.com
Police Pension	Jdoe.policepension@outlook.com
Arts	Jdoe.arts@outlook.com
Economic Development	Jdoe.economic@outlook.com
Planning and Zoning	Jdoe.planandzone@outlook.com
Emergency Telephone System	Jdoe.emergency@outlook.com

These emails are separate email accounts for the Members.

The Village requires Members to use this separate email account for all Village correspondence that occurs via email. Using this email is required to provide for:

- Public Distribution
- Management of email correspondence separate from personal emails
- Accessibility of correspondence if required under Freedom of Information Act (FOIA)
- Continuity and effective operations across all Commissions
- Accessibility to email correspondence as deemed necessary and at end of term.

Village Access
The Assistant to the Village Administrator manages all Commission administrative functions with the Village, such as vacancy and appointments. The Assistant will also be the back up to all password and access to the Member Outlook accounts. Members must maintain this backup contact information within the assigned Outlook email account and contact.

Member Responsibility
Use of this email account exclusively for Village email correspondence is required. In the event the Village receives a FOIA request for communications associated with a committee or commission, the Member will be required to provide all requested email correspondence.

Personal use
Just as no commission or committee business is to be conducted using personal email accounts, the Outlook account shall not be used for personal activity. The Outlook account assigned and all correspondence within remains the property of the Village of Mundelein.

Open Meetings Act
Members must exercise caution in using e-mail communications. Under the Open Meetings Act (5 ILCS 120), deliberations of a public body are to be taken openly. In general, to conduct deliberations on matters of public concern through e-mail is contrary to the intention of the Open Meetings Act (OMA). An electronic version of a "letter", where there are no replies or discussion of public business has not occurred is not a violation of the Act. An email sent to a majority of a quorum (typically two or more members,) and a reply only to the sender also would not be a violation of the Act, being that each Member communicated individually with the sender. However, if an email is used to reach a consensus, a violation likely occurs. Extra caution with the use of 'Reply All' should be considered with email communications. Reply All creates instantaneous communication of public business. A way to avoid Reply All is to blind copy the members when corresponding with the whole commission or committee.
Members must stay current in their understanding of OMA requirements as part of their appointment.

Staff has reorganized the list of Mundelein businesses based on the EDC's districts.

- Business must not have been a member of the selected chamber within the last two years.

To Apply

1. Complete the application below and submit it to the Village by **March 1st.** Applications will be reviewed in the order they are received by the Village.

2. Following notice of approval of an application, the applicant must submit a reimbursement request form (attached) for the approved membership expense. Membership dues incurred prior to the date of application approval will not be accepted. Please note that some chamber organizations offer a discounted rate to Grant Recipients and reimbursement will only be given for the discounted rate. **The reimbursement request form must be submitted by April 1st.** Once approved for a grant, the applicant will purchase their membership and submit the reimbursement request form. The Village reserves the right to deny any request for reimbursement submitted after the fiscal year deadline.

3. Approved Local Chamber Membership Grant applicants will then receive grant funds from the Village's Finance Department. The actual timeline to receive reimbursement varies – estimated at two to three weeks from date of reimbursement form submittal.

Approvals Needed?

Completed Grant applications will be reviewed by Village Staff to ensure each business is registered with the Village, in compliance with all federal, state, and local laws, and does not have outstanding Administrative Hearing Officer (AHO) code enforcement violations.

Reporting Expenditures

Expenditures for approved Grants must be reported using the request for reimbursement form by the end of the fiscal year in which the award was granted. Only actual costs incurred by the applicant can be reimbursed and quotations/cost estimates will not be considered sufficient proofs of purchase. The easiest method of reporting expenditures is to provide a copy of the receipt issued to you following the membership purchase. Receipts must be dated later than the date of approval of the application.

Release of Funds

Approved applicants will receive funds once a receipt for the qualifying membership expense has been submitted to the Village and it has been reviewed and approved by Village Administration.

VILLAGE OF Mundelein Incorporated in 1909

To: Commission Members

From: Jessica Marvin, Associate Planner

For: Mundelein Economic Development Commission Meeting of October 24, 2024

Subject: Great Lakes Naval Base Welcome Packet/Pamphlet

Attachments:

1. GLNB Presentation to EDC

Background:

At the August 22 EDC meeting, J. Marvin provided a brief background on the Great Lakes Naval Base Welcome Packet/Pamphlet. The commission is open to this idea, and staff will provide more information at the October 24th meeting.

Trustee Wilson thought there may be value in engaging the EDC to develop a marketing plan or packages for the Great Lakes Naval Base graduations, which are every Thursday. According to the Commercial Sponsorship Coordinator (Shell Smith), Navy families are used to driving off base and exploring different communities. The EDC would contact the highlighted businesses to see if they would offer a discount for Navy graduates and their families.

Recommendation:

Discuss process for implementing project.
